

DINRAIL Mounted PANL Series

DINRAIL Mounted Neutral links are utilised as the terminating point for neutral wires in a typical electrical circuit and can vary in construction depending on the number of neutral terminations. We offer Neutral links from 32 ampere to 63 ampere rating.

Dimensions	
POWERMAT code	Amp Rating
PANL – 32A	32A
PANL – 63A	63A

- All Dimensions are in mm only.
- Tolerance is applicable as per DIN Standard 2768.
